

Commercial Countertops

richlite

Commercial Countertops

Originally developed in 1943 as an industrial tooling material, Richlite has expanded its versatile material into other industries such as action sports, food service, architecture and music. With the Northwest, Cascade or Heritage Collections, get the brawn with the brains. Tough enough for severe use, but with structural capabilities far beyond traditional surfacing materials, Richlite is perfect for your commercial project.

Benefits:

- Natural look and feel
- Durable, dense, stable
- Excellent cantilever and span capabilities
- Best black available
- Available in 1/4" – 3" thicknesses
- Sheets available up to 60" x 144"
- Through-color
- Heat resistant up to 350°F
- Naturally antimicrobial (JIS 2801)
- Custom edge design (Cascade™)
- Can support any edge details
- Made from recycled paper
- Contributes to LEED points

Applications:

- Desks
- Reception areas
- Commercial food Preparation
- Work surfaces
- Lab surfaces
- Restaurant bar tops
- Restaurant table tops
